BANK OF HAWAII

Of course you can afford to save. No matter how little you earn, you can afford to put aside in the bank at least a portion of your wages.

You may have to go without certain luxuries which you now think indispensable—but in a very short time you will know that the saved amounts are worth much more than the luxuries you gave up.

Try the plan; it's worth while!

'SUGAR PRICES HIGH, SCHOOL ATTENDANCE LOW,' SAYS KINNEY

Youngsters Commence to Return to Class Room After Long Summer Vacation

That the rise in the price of sugar will in no small way cause a decrease in the enrollment in the public schools of Honolulu, and an increase in the enrollment in the government institutions outside of Honolulu, is the opinion of Henry W. Kinney, superintendent of public instruction, as expressed this morning.

"Prior to the rise," said the superintendent, "many plantation laborers moved with their families to Honolulu from other districts on Oahu and from other islands, for the purpose, probably, of obtaining other employment. The enrollment in the public schools in Honolulu last year was large. With the opening of the schools this year, however, many of these laborers have moved back to the respective plantations from whence they migrated to Honolulu, this movement being due largely, I believe, to the rise in the price of sugar."

The public schools of Honolulu and of the territory opened for the fall term at 9 o'clock this morning. The days from now until Friday will be given over largely to enrollment and assignment to classes, and it will not be known until the end of the week just what the approximate enrollment is. Superintendent Kinney said today that all positions in the department, with the exception of two, have been filled, there being a vacancy at Kaupo, Maui, and at Hana, Maui. It is expected that the two vacancies will be filled by the end of the week.

A HAPPY CHILD IN JUST A FEW HOURS

When cross, constipated or if feverish give "California Syrup of Figs" then don't worry

Mothers can rest, after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, a urtic and fermenting food, gently moves out of the bowels, and you have a happy, playful child again. Children simply will not take the time from play to empty their bowels, and they become tightly packed, liver gets sluggish, and stomach disordered.

When cross, feverish, restless, see if tongue is coated, then give this delicious "fruit laxative." Children love it, and it cannot cause injury. No difference what ails your little one—full of cold, or a sore throat, diarrhoea, stomach ache, bad breath, remember, a gentle "inside cleansing" should always be the first treatment given. Full directions for babies, children of all ages, and grown-ups are printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look carefully and see that it is made by the "California Fig Syrup Company." We make no smaller size. Hand back with contempt any other fig syrup—advertisement.

GAMBLERS PERMITTED TO PURSUE PASTIME; NO POLICE ACTION

Charles Rose was given a fine vote at the primaries of Saturday and, it is admitted, stands an elegant chance of being elected to succeed himself as sheriff of the city and county of Honolulu. However, if he aspires to this office with the idea and determination to do his duty and apprehend all violators of the law it behooves him to visit the Young Hotel auto stand and place under arrest some of the participants in the gambling games which run "wide open" at the place mentioned.

Shortly before 11 o'clock this morning a pair of chauffeurs was busily engaged matching half-dollars at this location. They made no effort to conceal the fact that they were gambling, the winner taking the coin of the loser at each toss of the coin.

Other chauffeurs were gathered around, but appeared to be too short of funds to join with those who were engaged in the "head and tail" operation. Names on application at the Star-Bulletin office.

SELF-RELIANT HOME DOCTORS

Is what women are called who all over this broad land make their annual collections of roots and herbs, and rely upon recipes which our pioneer mothers found dependable for different family ailments. In one of these recipes, Lydia E. Pinkham's Vegetable Compound has its origin and so successful has it proved that there is hardly a city, town or hamlet in America where some woman who has been restored to health by its use does not reside.—Advertisement.
